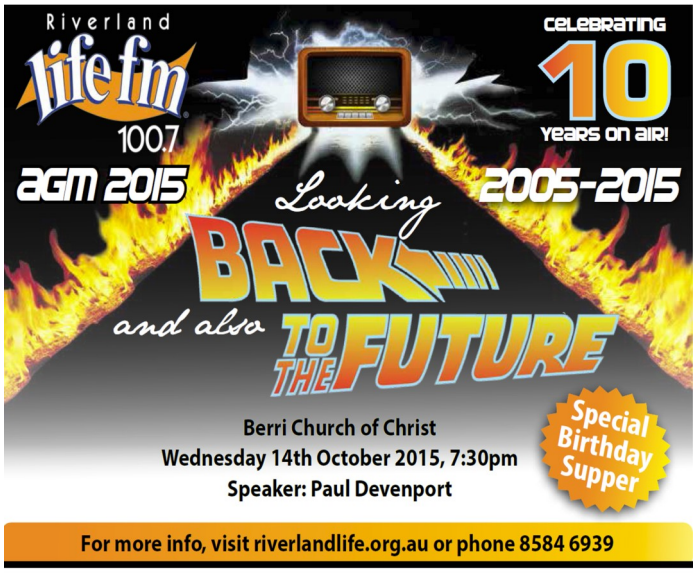
AGM 2015

Riverland Christian Radio AGM
7.30pm Wednesday 14th October
Berri Church of Christ, 1025 Old Sturt Hwy



You're invited to attend our upcoming Annual General Meeting, where we will be giving an update on the station's position and progress, and conducting elections to the Board of Management. Our guest speaker is Father Paul Devenport of the Riverland Anglican Parish and we look forward to hearing about his radio background. Also, in view of our tenth anniversary coming up at the end of the year, we are starting celebrations with a special supper! You don't need to be a member to come along; your interest and attendance is a real encouragement to all of us!

Thank You for supporting our *Be The Spark!*

Radiothon June 2015

We came tantalizingly close to reaching our $10,000 target with our on-air and mail fundraising campaign at the end of June, receiving $9872 to 7th July. Thank you to all those who responded; we really appreciate the financial support received for the station and also the encouragement of having so many others sharing with us in supporting this ministry.

RIVERLAND FOOTBALL

The live broadcasts of Riverland football are over for another year. Our sincere thanks goes to Mike Western and Scott Gillett for overseeing the technical operations each week, and to Greg Graetz and Travis Dubrich for taking charge of the commentary. Sponsors this year were Hygienic Meats, Riverland Pools and Maintenance and Cashflow Manager. Also, the Murray Pioneer promoted the weekly game locations for us, and the Riverland Football League together with their sponsor, Sports Centre, provided our new flag banners to use at broadcast locations. Our thanks to all these sponsors. We're confident that they received good radio exposure for their businesses through our broadcast, as positive feedback continues to grow with each season.

WAIKERIE UPDATE

The plan to put a repeat transmitter at Waikerie to provide improved signal reception remains a regular item for discussion and prayer on meeting agendas for the Board of Management. With the likelihood of legal complications at the proposed site, the Board is now investigating a simpler option which was previously not compatible with analogue TV signal. Please stay tuned!

WHAT'S NEW?

It's always great to be able to report on new things happening. We have some new sponsors, new segments and of course, lots of new music coming in each week. The new segments come to us via Christian Media Australia, through which many radio stations share radio content with each other. This is a great support for smaller stations such as ours, that are not producing a lot locally. Recent new content includes some 'God spots' by Barry Grosser from SonshineFM in WA, and coming soon, Linda Bailey Daily Devotions and Organised For Life.

JOIN US!

We need to grow our membership base! Membership is a way to partner in ministry together, encouraging and supporting those actively serving. We need more members to show ACMA that the station is well supported in the region. We also need more people to become actively involved, and one area in particular is on the Board of Management. This is one of many areas where we are short-handed. The upcoming AGM is an opportunity to offer yourself for nomination. Enquiries are very welcome. Information is available at our website or from our office.
