

# 100.7 Riverland Life FM

**December 2010**  
**Vol.14 No.4**

## AGM Round-up

The Annual General Meeting of members of Riverland Christian Radio Inc was held in October with a good number in attendance. Thank you to all those who supported the station by attending. Guest speaker Bronwen Wade gave an engaging talk about her work in radio, past and present and the role of radio in the local community. The elections to the Board of Management saw all the members who had served in 2009-2010 re-elected, including the election of Gary Wheatcroft who had previously been seconded to the Board. We also welcome new Board member Tim Vivian.

## Steve Grace in Concert

The Steve Grace concert on November 10 was extremely well received. The Hall was comfortably full and the crowd quickly joined in clapping and singing along with gusto. Steve and the band put on a brilliant and very professional performance. The atmosphere was wonderful, with a great sense of unity and joy. Sorry if you missed it! On behalf of all who enjoyed the night, we thank the many people who worked so well together to make it happen through fantastic support from so many church and mission groups, families and individuals, in helping promote, set up, clean up, cater, counsel and follow up respondents, and in generously financially supporting the event. Well done everyone!

### Sausage Sizzle

Our November sausage sizzle at Stratco in Berri was a warm but pleasant morning out meeting and greeting the public. Our thanks to Stratco for the opportunity and their generous donation of the BBQ and sausages. Thanks also to Garry Pinnington and Richard Saunders for their expertise with the tongs.

## Board of Management News

The Board of Management is embarking on a new plan to develop sub-committees in order to involve more people in operations within the radio station and to more effectively share the work. Some subcommittees have already been formed and in 2011 we aim to put in place the following groups:

- Partnership
- Personnel & Training
- Promotions
- Programming
- Newsletter

Opportunities exist for supporters of the station to get involved in these areas. If you would like to help promote the station to the wider community, the **Promotions** committee will interest you; or if you are interested in growing our membership, donor and church support, or in fundraising or accessing grants you could help in the **Partnership** committee. If you would like more information about what is involved please contact the station on 8584 6939.

### A note from the General Manager

As I was praying for the station one morning recently I was reminded that this station is not just a good idea but a God idea. Our radio station has the potential to reach right across the Riverland and beyond with the Gospel of Jesus. This gospel, entrusted to us, is good news and HOPE for not just some but *all* situations; and not only all situations but *all* people, not just now but for *the future*. Consider now your family and friends around you here in the Riverland and also consider the future generations that will come to live here, whether born here or moving here to live. I have four children between four and ten. Isn't it lovely to know they can listen to a radio station without the coarse language or sexual references that get thrown at our kids day in and day out in so much of the media! For us to continue the 'God work' please support us in prayer and consider supporting us financially. \$35,000 is the amount we require to meet the costs of transmitting our signal to the end of June 2011. This doesn't include other costs such as employment expenses, office expenses, telephone, postage, equipment ... the list could go on. Please prayerfully consider partnering with us through our Transmission Partnership Program, to cover the costs of transmission site rental and electricity, APRA fees and the broadband link, so that we can continue to reach more people in the Riverland. Remember this station is not just a good idea. It's a God idea.

Jason Evans

*A Blessed Christmas and a Bright New Year to you all*
