GLORY TO GOD IN THE HIGHEST!

Wow, 2014 ... didn't that go by fast! Time is precious and we look forward to Christmas as a special family time. It can be a struggle to focus on its true meaning when the world around us puts on so much pressure to join in the frantic commercial rush. We are busy but it only takes a moment to remember how blessed we are to know the Lord's presence and goodness in our lives, and to give Him thanks. As we serve our Lord each day, may all our busyness and activity find its purpose in Him.

Around this time next year we will mark 10 years of continuous radio broadcast. How will we celebrate? We hope you will share with us as we continue to reach out and give voice to God's message of peace and hope.

*We pray that you and your loved ones will together enjoy
a blessed and happy Christmas celebration,
giving thanks to God for His great gift of His Son Jesus.
May the New Year bring new opportunities for all of us
to proclaim His Name wherever His call takes us.*

AGM 2014

Our AGM was held on Thursday 23rd October 2014 at the Loxton Uniting Church. The Board of Management was elected with all current members continuing. We are also very pleased to welcome Erin Harrald, a new member to the Board. Erin is a school Pastoral Support Worker and is also involved in Riverland Youth Ministries. The focus of the AGM was participation, so it was fitting to see the Board enlarged. Our thanks to the Uniting Church in Loxton for allowing us to use their venue and for their kind hospitality on the night.

At the following Board meeting, Peter Magarey was re-elected as Chairperson, Matt Pateron as Vice-Chairperson, Tim Vivian as Secretary and Rohan Scarfe as Treasurer. Nigel Rutherford and Gary Wheatcroft are also continuing Board members.

*The Mighty One has done great things for me,
holy is His name. His mercy extends to those
who fear Him, from generation to generation.*
Luke 1:49-50 NIV

WAIKERIE PROJECT

A long-standing aim of the station is to provide improved signal quality into the township of Waikerie with the provision of a local transmission link. Recent activities on this front include the selection of a suitable tower. Plans for the erection of the tower will be submitted to engineers to assess, and to draw up the necessary infrastructure for its installation. Council approvals and agreements with project partners will also need to be arranged before on-site work can commence.

Rohan Scarfe recently inspected and took some measurements of the tower that we hope to purchase, and to transport to the selected transmission site at Waikerie.

STATION HOLIDAYS

The Station Manager will be taking leave for approximately 4 weeks from mid-January. The Loxton office will be closed for much of this time; phone calls and other communications will be followed up by volunteers.

SOUNDS OF CHRISTMAS

Every year we look forward to providing fresh programming at Christmas in the form of new songs for the season, short inspirational segments and Christmas themed shows. Christmas Day is devoted to Christmas content, so be sure to have your radio tuned in and turned on so you can hear some of the great Christmas songs that you won't hear any other time of the year. Selected songs and scripture readings will tell the story of the first Christmas. It will be a great musical backdrop to your family celebrations!
