Let's Come Together

AGM 2016

Riverland Christian Radio AGM
7.00pm **Wednesday 19th October**
Loxton Anglican Church Hall, Edward St Loxton
Guest Speaker - **Phil Grey**
Manager of 104.9 Lime FM in Mount Gambier

Everyone is welcome to attend the Annual General Meeting in October, and we hope you will take this opportunity to come along and hear about how the station has fared in the last 12 months. New and returning members to the Board of Management will be elected. (Committee roles of Chairperson, Secretary, etc are voted on by the new Board at the following Management meeting.) Recently Nigel Rutherford resigned from the Board and we thank him for giving thoughtful contributions in many areas. New nominations to the Board of Management are very welcome. Guest speaker is Phil Grey, General Manager of 104.9 Lime FM based in Mount Gambier. We look forward to hearing of their experiences and development as a radio station and Christian outreach to their community on the Limestone Coast.

Riverland Football

The Riverland Football Season has concluded and we thank all those who contributed to making the broadcast an entertaining and informative programme for our listeners this year, including regulars Jack Kovacic, Tim Jackson and Les Lange. We also appreciate the many hours of weekend time given by commentators Greg Graetz and Travis Durbich, and also by our technical support team, Mike Western and Scott Gillett. We know that followers of the competition have greatly enjoyed the broadcast and the fun atmosphere created by the on-air team. Thanks to everyone who helped during broadcasts, and our sponsors, and all who made this possible.

New Voice

Welcome to Madison White, a new voice in the Riverland. Madison recently started at the Loxton News while Pamela Perre is filling in at the Murray Pioneer. Madison joins Stephanie Thompson in bringing the Riverland News Update on **Wednesday** afternoons at a **quarter past five**.

International Visitors

This month we were delighted to have the company of Darrell and Kellie See, a.k.a. DJDC and LadyC from Fun 92.7 FM in Arab Alabama. Kellie is a former resident of Pyap, and is enjoying a 6-week holiday visiting relatives. However, it isn't all holidays because back home the college and high school football season is in full swing and their voices are still needed on air in the breaks during the live broadcasts. So when Darrell and Kellie came looking for a recording facility, we were happy to oblige.

Fun 92.7 FM broadcasts from Arab, a town of similar size to our Riverland towns, but their listening area population is approximately ten times the size of that of the Riverland.

Have you heard?

Have you heard Voice For Values? Airing on **Wednesday** evenings from **6:10pm**, Voice for Values is a talk show discussing politics and current affairs, hosted by Lyle Shelton of the Australian Christian Lobby.

Credit Card Payments

Banks are moving away from paper-based processing and as a result we have been left with no cost-effective means available to process card payments through the banks. However, you can still pay us with your credit card (Visa or Mastercard) by using Paypal's online facility at our website. You can use Paypal as a guest - you don't need to join Paypal. In order to do this you will need to enter your mobile number and email address. The link is on the 'Donations' page accessed via the 'Join Us' tab. If you would like help with this, please call the station and we will assist you. If you send a credit card payment by mail we will probably need to call you to complete the payment process; otherwise it is possible that we will not be able to accept the card payment.
